

NEWBERY PARK PRIMARY

UNIFORM GUIDELINES

OVERVIEW

Our school uniform policy was developed by our schools Governing Council in consultation with the school community. Careful selection of the school uniform has taken into consideration the cost along with the health and safety of students when engaged in school activities and its key purposes of preparing students for the days learning and real life beyond school.

HATS

The wearing of a wide brimmed hat in both Term 1 and Term 4. The purpose of enforcing the wearing of hats is for sun protection and is part of our school policy and partnership with the Cancer Council – baseball hats do not provide that.

SHOES

The wearing of safe shoes to school. Active children need suitable footwear to prevent accidents when they are playing in the yard. For this reason surf sandals, thongs and any very open footwear is not suitable for school.
