FROM THE PRINCIPAL

Dear Families,

Welcome to the new school year for our new families and welcome back to our existing families!

We have had an exciting start to the term and both students and staff have enjoyed re-establishing relationships and learning school routines.

This year we welcome 8 new Foundation students who are starting school, along with a number of students from other year levels joining our school for the first time. It has been fantastic to see our existing students support our new student's transition into our school community and form such positive relationships already.

Meet and Greet 2023

We will be holding our annual 'Meet and Greet' night on Wednesday 22nd of February (Week 4) at 4:00pm. On this evening you will have the opportunity to meet your child's classroom teacher, see their learning spaces, and have a complementary sausage.

Annual General Meeting

The Annual General Meeting will be held on Wednesday 22nd February (Week 4) at 5pm in the school library. This will begin at the conclusion of our Meet and Greet Night, with teachers supervising students of parents who wish to attend. At the conclusion of the AGM, we will hold our first Governing Council Meeting for the year. If you are interested in nominating for the school's Governing Council, please collect a nomination slip from the front office.

Parents Onsite

We love seeing our school community and at last, after a number of years of restrictions, we are pleased to welcome families onsite from the start of the year. With minimal COVID rules in place, we encourage members of the school community to help out in classrooms. Please contact classroom teachers or the front office if you would like to offer your assistance.

Taking Photos in Schools

In keeping with child protection laws, we ask parents and caregivers to refrain from taking photos or videos of students without permission. A number of our students have restrictions with their image and/or names being shared publicly. This includes photos and videos of your own child/ren that include others in the background.

We have many different jobs to do, if you have a spare hour or two on a Wednesday or Thursday please contact Ang or see staff at the Front Office. We would love your help!

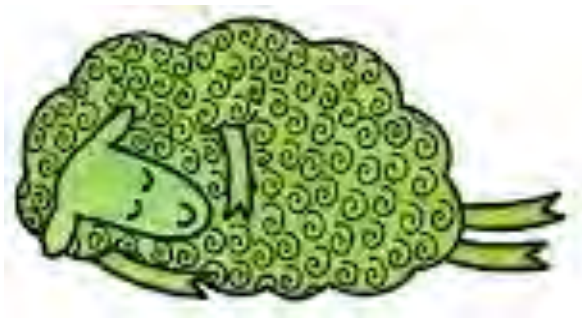

Wow...What a start to 2023!

This year at Newbery Park we are lucky enough to welcome 8 brand new Foundation students to Room 1.

We have had a fantastic start to the year together, reading lots of stories and doing lots of different activities, including getting to know some of our big buddies!

We went on an adventure around the school on our very first day to find the Green Sheep – he was hiding in the library! We then made our own green sheep, which look great!

Getting used to the routines of school can be tricky and tiring at first, but we are certainly getting there and the Year 1's are helping. We look forward to learning lots of exciting things together this year.

2 Ingredient Scroll Recipe

You will need:

- 1 cup self-raising flour
- 1 cup greek yoghurt
- Cheese, Ham, tomato paste, capsicum, mushroom

Instructions:

1. Preheat oven to 180C, fan forced
2. Line baking trays with baking paper
3. In a large bowl mix flour and yoghurt to make dough
4. Knead for several minutes, add more flour if mixture is too wet
5. Sprinkle extra flour on bench, roll out dough to rectangle
6. Add desired toppings – cheese, ham, capsicum, tomato paste etc
7. Roll up dough, starting from long side
8. Cut into 2cm scrolls, place flat on baking tray and bake for 20 minutes until golden
9. Rest on tray for 5 minutes before transferring to a wire rack to cool completely

Great cold in lunch boxes and easy to make with the kids!

READING - How you can help at home

Article 1 - Talk to your kids (a lot)

The first skill for reading that children learn is oral language - the ability to understand and use spoken words.

Children who hear language being used frequently for a range of different purposes and who are encouraged to use words in response have a lot more success when learning to read and write.

Children need to hear words being used in sentences and have the opportunity to speak in sentences to build their fluency.

Some simple ways you can increase the ways your child experiences spoken language include:

Tell them about things you have been doing

- Ask them to talk about things they have been doing
- Listen to an audiobook together and talk about the characters
- Read a picture book together and talk about the pictures
- Go for a walk or a drive and talk about things you can see
- Involve them in making plans for the weekend

Check out the “Jungle Theme” Mrs Panozzo has created in the Library!

What animals can you see?
